

## Khutsong South New Extensions

### Public Notice on Emergency Load Shedding

The municipality is currently experiencing serious challenges to provide a constant supply of electricity to the Khutsong South new extensions.

The situation arose from the vandalism of municipal infrastructure as well as the non-purchase of electricity, resulting in overload of the electrical network.

The emergency short term solution to protect the infrastructure and the safety of the community, is to limit the load on the supply of electricity through planned load shedding in the affected areas.

The following schedule will be implemented with immediate effect from 17h00 on 05 June 2019

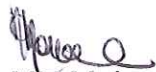

Area of Supply
Load shedding Schedule

Weekday	Khutsong South House numbers in the area of 2600 to 2900 as well as Phase 2	Khutsong South House numbers in the area of 1 to 2500	Khutsong South Ext 2 known as Ext 5 House numbers in the area of 4000 to 5000	Khutsong South Ext 4 Khutsong South Ext 4 House numbers up to 10 000
