

**Khutsong South New Extensions**  
**Public Notice on Emergency Load Shedding**

The municipality is currently experiencing serious challenges to provide a constant supply of electricity to the Khutsong South new extensions.

The situation arose from the vandalism of municipal infrastructure resulting in overload of the electrical network.

The emergency short term solution to protect the infrastructure and the safety of the community, is to limit the load on the supply of electricity through planned load shedding in the affected areas.

The following schedule will be implemented with immediate effect from 17h00, 22 May 2019

The schedule will be re-evaluated and amended as may be required. The community will be kept informed regarding any amendment of the schedule.

The cooperation of the community is essential to avoid a collapse of the network and a total black out of the area.

For safety reasons all electrical installations and connections must be treated as live at all times.

This schedule will be available on the Municipal website ([www.merafong.gov.za](http://www.merafong.gov.za)) as well as Municipal notice boards and will also be available from ward Councillors. Enquiries can be directed to the Municipal Call and Contact Centre on 018 788 9990, the Call Centre for after hour emergencies at 107 or your ward Councillor.
